How to Crochet

ABBREVIATIONS (US)

R: row

Sc: Single crochet

Ch: Chain

Dec: Decrease (2 stitches together by the front loop for invisible decrease)

Sts: Stitches

Tog: together (stitches together by the front loop for invisible decrease)

(...) x: Repeat stitches within parentheses ... times

[ ]: number between squared crochet gives the total number of stitches of the row

Color change from blue to white

To start the white, the sc before the white stitch: yarn over and pull with blue, then yarn over and pull with white.
For the last white stitch, just finish it completely with white and start the next stitch in blue (this ensures symmetric white on right and left side).
